

T H E S P I R E S
AT BERRY COLLEGE

March 19, 2020

I am sure this note finds you at home, wondering what's next. We all are. However, "we do not need to know precisely what is happening, or exactly where it is going. What we do need to do is recognize the possibilities and challenges offered by our present moment, and to embrace them with courage, faith and hope." (Thomas Merton)

At The Spires, we are focused on our future goals and encouraged by a sense of calm and steady progress. Currently, our office is closed, but our team is working remotely and still available by phone and video. Please feel free to reach out by calling 706-368-9955 or email info@retireatberry.com. Our partners at Berry College, Brasfield & Gorrie, and Moving Station are working diligently as our opening date of early June remains true.

With that in mind, it is necessary to postpone all group activities, including the remaining sneak peek tours of Apartments East, scheduled for April 7th and the Longleaf Lodge, scheduled for May 5th. Cottage tours on March 26th will proceed as scheduled since we will not be in a group setting.

The silver lining is the free time this will allow for you to go through those closets and kitchen cabinets and simplify. Or maybe you will now have time to finish that novel you have been wanting to read. I highly recommend binge watching Downton Abbey or another favorite series.

As always, we are here for you! Please call, text or email if you have questions, concerns or need some delicious cookies delivered to brighten your day. We are a community and communities stand together during the good times as well as the challenging ones.

Fondly,
Laurie Steber
Executive Director
The Spires at Berry College
